

rustic spirit

The perfect place to relax and immerse yourself in the ambience of the country lifestyle, beautiful vistas, clear mountain air, birdsong and misty mountain mornings.

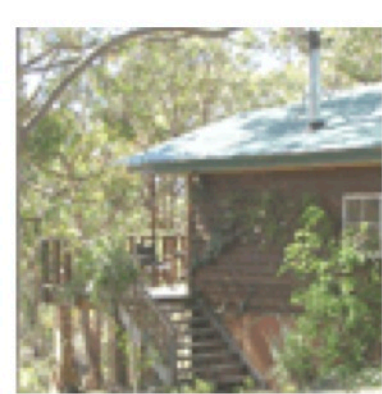

The boutique accommodation consists of three well- appointed and very private cottages.

All cottages are self- contained with queen size beds, spa baths, log fires, DVD/VCR/TV, well equipped kitchens, private verandahs with gas barbecues.

Firewood is supplied and can be replenished from the woodshed near the chicken coop.

Our water is rainwater collected in tanks then filtered to the cottages.

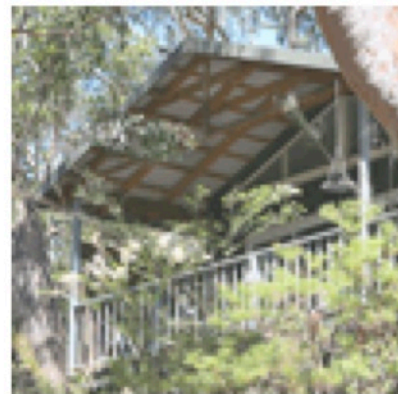

The gardens and bush tracks are there for you to wander through.
